Also, Patent Air Pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes.

LIGHT AND AIR for the MILLION.
 WALKER'S NEW VENTILATORS, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes. Also, Patent Air Pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes.

VENTILATION—PURE AND SIMPLE.

EXTERNAL WALL.
 Ventilating pipes, from 6 in. to 12 in., with leading pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes. Also, Patent Air Pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes.

DR. ARNOTT'S VENTILATING CHIMNEY VALVE.

As made on the true principle, and under the immediate direction of Dr. Arnott, all architects and builders are recommended to use Dr. Arnott's Ventilating Chimney Valves, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes. Also, Patent Air Pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes.

DR. ARNOTT'S VENTILATING CHIMNEY VALVE.

As made on the true principle, and under the immediate direction of Dr. Arnott, all architects and builders are recommended to use Dr. Arnott's Ventilating Chimney Valves, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes. Also, Patent Air Pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes.

MOORE'S PATENT LEVER VENTILATOR.

NOIRSAIN'S VENTILATING CHIMNEY VALVE.
 Ventilating pipes, from 6 in. to 12 in., with leading pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes. Also, Patent Air Pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes.

DRAWING ROOM STOVES.
 PATENT DRAWING ROOM STOVES, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes. Also, Patent Air Pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes.

COOKING RANGES—NICHOLSON'S.
 PRIZE COTTAGE COOKING, and other GRATES, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes. Also, Patent Air Pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes.

STOVES, RANGES, GAS FITTINGS.

SKENFIVE and COMPANY.
 As made on the true principle, and under the immediate direction of Dr. Arnott, all architects and builders are recommended to use Dr. Arnott's Ventilating Chimney Valves, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes. Also, Patent Air Pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes.

CLARK and HUNT'S IRONMONGERY.

As made on the true principle, and under the immediate direction of Dr. Arnott, all architects and builders are recommended to use Dr. Arnott's Ventilating Chimney Valves, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes. Also, Patent Air Pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes.

TO BUILDERS AND CARPENTERS.

H. BOOBYER and CO., late Sturch.
 As made on the true principle, and under the immediate direction of Dr. Arnott, all architects and builders are recommended to use Dr. Arnott's Ventilating Chimney Valves, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes. Also, Patent Air Pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes.

TO BUILDERS, CARPENTERS, AND OTHERS.

BENJAMIN WALMSLEY, IRON-BOILER, BRASSFOOT, STOVES, and RANGES.
 As made on the true principle, and under the immediate direction of Dr. Arnott, all architects and builders are recommended to use Dr. Arnott's Ventilating Chimney Valves, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes. Also, Patent Air Pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes.

WALKER'S NEW VENTILATORS.
 Ventilating pipes, from 6 in. to 12 in., with leading pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes. Also, Patent Air Pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes.

TO BUILDERS, CARPENTERS, CABINET MAKERS, &c.
JOHN DALE, 18 and 19, Chiswell-street.
 As made on the true principle, and under the immediate direction of Dr. Arnott, all architects and builders are recommended to use Dr. Arnott's Ventilating Chimney Valves, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes. Also, Patent Air Pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes.

WARMING BY HOT WATER.
 As made on the true principle, and under the immediate direction of Dr. Arnott, all architects and builders are recommended to use Dr. Arnott's Ventilating Chimney Valves, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes. Also, Patent Air Pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes.

WARMING AND VENTILATION.

D. and E. BAILEY, 272, Holborn, having
 As made on the true principle, and under the immediate direction of Dr. Arnott, all architects and builders are recommended to use Dr. Arnott's Ventilating Chimney Valves, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes. Also, Patent Air Pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes.

TO FLORENTINE AND OTHERS.

J. JONES, Iron Merchant, has always
 As made on the true principle, and under the immediate direction of Dr. Arnott, all architects and builders are recommended to use Dr. Arnott's Ventilating Chimney Valves, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes. Also, Patent Air Pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes.

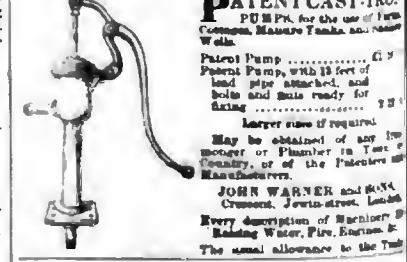

IRON FOUNDRY, 80, Goswell-street (late

FOUNDRY AND IRON WORKS.
 As made on the true principle, and under the immediate direction of Dr. Arnott, all architects and builders are recommended to use Dr. Arnott's Ventilating Chimney Valves, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes. Also, Patent Air Pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes.

TO ARCHITECTS, BUILDERS, AND OTHERS.

PUMPS of Superior CONSTRUCTION.
 As made on the true principle, and under the immediate direction of Dr. Arnott, all architects and builders are recommended to use Dr. Arnott's Ventilating Chimney Valves, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes. Also, Patent Air Pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes.

TO ARCHITECTS, BUILDERS, AND OTHERS.

IRON HURDLES.—Great Reduction.

As made on the true principle, and under the immediate direction of Dr. Arnott, all architects and builders are recommended to use Dr. Arnott's Ventilating Chimney Valves, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes. Also, Patent Air Pipes, for Chimneys, and for Houses, and for Factories, and for Mines, and for Railways, and for Steamships, and for all other purposes.
